Dear Nikhil Komati Kumar

Greetings from Infosys Talent Acquisition Team!

What would happen if you could find and solve the most important problems – from reinventing business models to using technology to address challenges like disaster prevention, clean water or even the demonization of chocolate (true story)?

For starters, you'd probably be working for Infosys. You'd probably be excited to come to work every day. And you would have made a very exciting decision about the next stage of your career.

We appreciate your interest in Infosys and this mail is in continuation to our previous mail/call regarding a suitable opportunity with Infosys Ltd. Please treat this mail as confirmation for an in-person discussion (technical / personal). The details of the same are given below. Please note that the entire process may take approximately 4 hours of your time.
